

Marius Ardelean

ASPIRING WEB DEVELOPER

Profile

I'm a passionate young dancer, with a lot of social skills gathered from visiting all around the world. I like doing my job seriously and I am a perfectionist. I want professional reconversion because I know I am capable of achieving great things, and I have a passion for IT and devices since I was a little boy.

Employment History

Ballet/Folk Dancer, National Folk Ensemble "Transilvania", Baia Mare

SEPTEMBER 2009 — PRESENT

Volunteer/Coordinator, RoRec, Baia Mare

JULY 2010 — APRIL 2012

In this job me and a team of 5 people, had to collect old and broken appliances and electric devices from people around the county. Those who sent their old items to us/recycling, won valuable tickets and other appliances prizes. I was the man in the front, the one responsible for everything.

Staging daily worker, ArtTradition, Baia Mare

JULY 2019 — NOVEMBER 2020

Me and a team of 4-6 other persons were putting together stages for all kind of shows around Romania. As I am professional dancer, I knew how to handle the stages for my own advantage.
